“MAKING DISCIPLES”

MATTHEW 28 : 16 - 20

FACILITATORS GUIDE

INTRODUCTION

In 1 John 2 : 15 – 17 we have a fitting description of the mindset and trend of society around us. All of life is consumed by: (i) “The lust of the flesh (sensuality); (ii) “The lust of the eye” (materialism) and (iii) “The pride of life” (the vanity of the ego). So much of life seems to revolve around maximizing pleasure and minimizing pain.

Jesus came to introduce an alternative lifestyle, something so different to that of society around us. He said, “Go and make Disciples”. Imagine if every Christian pursued this mandate. Our world, our churches and our homes would be so different.

This chapter seeks to examine this exciting possibility!
